

Installation process:

Step 1: Use the self-tapping screws (2) to install the hanging board (1) of the lamp on the ceiling.

Step 2 : Connect Live Wire Neutral Wire Earth Wire to the terminal (3).

Step 3: Shift up the lighting bell (4) covering hanging board (1), then locked with screws (5).

Step 4: Press Tension (6) to adjust pendant line.

Step 5: Install light sources(G9)(7) after insuring the wire connection is correct.

Step 6: Screw the flower branches (8) into lamp body one by one.

Step 7: Adjust the shape of branches according to own interest.
